NORTH CENTRAL REGIONAL TRANSIT BOARD SET TO DISCUSS A POSSIBLE SUCCESSOR FOR THE POSITION OF EXECUTIVE DIRECTOR

WHAT:
The Board of Directors for the North Central Regional Transit District (NCRTD) will convene in a regularly scheduled monthly board meeting. The board will receive and contemplate a recommendation by the Executive Director Search Committee with regard to the hiring of its new Executive Director.

WHEN:
Friday, August 5, 2011
9 a.m.

WHERE:
Santa Fe County Commission Chambers
102 Grant Ave
Santa Fe, NM 87501-2061

BACKGROUND:
At the end of April 2011, Josette Lucero retired her position as Executive Director from the NCRTD. May 9, 2011, Anthony J. Mortillaro took over as the Interim Executive Director. At the same time, a five-member search committee was formed; its members include Commissioner Barney Trujillo, Rio Arriba County, Councilor Robert J Seeds, City of Espanola, Jacob Caldwell, Taos County, Rosemary Romero, City of Santa Fe and Tim Vigil, Pueblo of Pojoaque.

The process included two searches. It was determined in the first search none of the candidates met the criteria for the position. Five applicants submitted resumes in the second search. The committee chose to interview all five candidates. The members felt the interview process would determine the top choice from the pool in the second round. The committee will review and average the interview scores and make a recommendation to the full NCRTD Board of Directors based on the scoring. The Board can choose to accept or ignore the recommendation at the August 5, 2011 regular Board Meeting.
